## KRIS CALLORI, VERDACITY FOUNDER

Kris is an Architect, LEED Fellow, WELL AP, Fitwel Ambassador, GPCP, Building Enclosure Commissioning Provider, Master of Biomimicry and Founder of Verdacity, LLC. As a member of the first class of LEED Fellows, Kris has been recognized to convey established leadership, mentorship, advocacy and technical expertise in the green building industry. Her WELL and Fitwel credentials signify advanced knowledge in human health and wellness in the built environment. As a Guiding Principles Compliance Professional (GPCP) and a Green Globes Professional, Kris effectively implements the adoption of sustainability initiatives among federal agencies. In 2018, Kris was honored as a Women of Influence by Albuquerque Business First.

### EDUCATION

- Fitwel Ambassador

## NOREEN RICHARDS, PRINCIPAL

Noreen is a Principal Architect, LEED Fellow, and LEED AP with Verdacity. Her expertise in green building project management, green criteria for rating systems, energy analysis, and developing strategies for meeting high-performance benchmarks provides a solid foundation for working with clients to achieve their goals.

### EDUCATION

- Master of Architecture, University of New Mexico, 2006

### LICENSES & CERTIFICATIONS

- Architect – New Mexico 5020
- LEED Fellow
- LEED AP BD+C
- Fitwel Ambassador

## JOSH WISHART, PRINCIPAL

Josh is a Principal Architect, Building Enclosure Commissioning Provider, and LEED AP with Verdacity. His keen understanding of trade disciplines and astute attention to detail aids in his facilitation of LEED compliance during the construction phase. Josh has developed specialized tools to facilitate project data calculations for an efficient analytical process from design through construction administration.

### EDUCATION

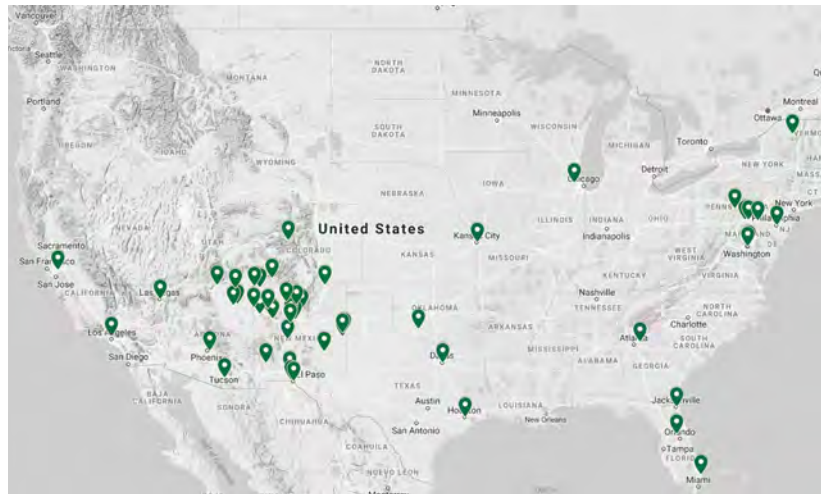

- Enclosure Commissioning Process Provider, University of Wisconsin, 2019
- Master of Architecture, University of New Mexico, 2016
- Bachelor of Arts in Architecture, The University of New Mexico, 2014

### LICENSES & CERTIFICATIONS

- Architect – New Mexico 5864

Verdacity Leadership: (l-r) Noreen Richards, Josh Wishart, Kris Callori

Verdacity has a national presence, with projects from coast-to-coast.

**Verdacity is passionate about the environment and is conscious of the impact buildings have on their surroundings. They strive every day to have a positive influence on the people they team with, and projects they contribute to, with the goal of creating exceptional value for their clients and a more sustainable world.**
